The OACCS Legislative Scholarship Program for 2012

The Ohio Association of Career Colleges and Schools, in cooperation with legislative members of the Ohio General Assembly and 52 participating career colleges and schools, is offering over 340 scholarships. The primary objective of these scholarships is to provide students with the education and training necessary to obtain a job in an Ohio business or industry.

Available scholarships may cover one-half tuition, or a specific dollar amount programs. Awards for each individual scholarship are not transferable to other programs or schools. Finances for the scholarships are borne by the member schools and colleges and no state or federal funds are involved.

Who is eligible?

1. These scholarships are available to **any** current high school senior graduating from **any** Ohio High School by June of 2012.
2. The applicant only needs a "C" average or better to apply. **Students do not have to demonstrate financial need.**
3. Each applicant must be nominated by a current member of the Ohio Legislature.*
4. Any recipient of a scholarship must be able to meet the college or school's entrance requirements.
5. Each applicant is eligible to apply for up to three scholarships, but must use a separate application for each scholarship.
6. The scholarship recipient must start classes either the summer or the fall term following their high school graduation.

* See Item #6 in the *How to apply* section on following page.

Scholarship Information

1. The scholarship amount will be allocated over the length of the program.
2. Scholarships are not transferable from one school or program to another.
3. Scholarship funds may be used for registration processing fees, books, lab charges, and student activity fees.
4. A scholarship committee will select the winner for each scholarship. The recipient must meet the requirements of the college offering the scholarship.
5. Scholarship winners will be notified no later than **May 1, 2012**.

Scholarship winners will be posted on the OACCS website: www.ohiocareercolleges.org

How To Apply

1. **Choose a scholarship(s)** from the list of available scholarships.
2. **Complete** the information on the **Scholarship Application** and obtain the appropriate signatures.
3. **Submit two letters of recommendation** from teachers, counselors, employers or others, with your application.
4. A copy of your high school transcript (grades) and attendance records for the past **4 semesters** and a verification of your Grade Point Average signed by the school guidance counselor or principal, must accompany each application.
5. Submit a **written statement** of approximately 250 words explaining why you want a career in the field you have listed on this application and why you feel you will be successful in this field. This can be typed or handwritten, but must be on the standard 8 ½" X 11" paper. Your name, address, phone number and high school name should be printed in the upper left-hand corner.
6. Complete the **Legislative Nomination Form** and send, by fax or mail, to either your Ohio Representative or your Ohio Senator. The representatives and senators can be found by entering your zip code on one of the following web sites: www.ohiosenate.gov/ or www.house.state.oh.us/.
- NOTE:** This form should be returned to you or your counselor from your legislator and then submitted with your application.
7. **The deadline for application submission is April 2, 2012.**
8. **Applications are to be submitted to:** *Ohio Association of Career Colleges and Schools*

Ohio Career Colleges and Schools “Preparing Ohio’s Workforce for Jobs of Tomorrow”

Facts about Career Colleges and Schools

- There are 308 licensed career colleges and schools in Ohio that provide professional, technical, career-specific programs in 200+ occupational areas; grant degrees, certificates and diplomas.
- There are 45 degree-granting colleges on 90 campuses and many have received a certificate of authorization from the Ohio Board of Regents.
- Career Colleges and Schools are privately owned and operated and are not supported by any federal, state, or local tax money.
- All Career Colleges and Schools are licensed by the State of Ohio; overseen by the Ohio State Board of Career Colleges and Schools; approved by the U.S. Department of Education.
- Many Career Colleges and Schools are nationally and/or regionally accredited by the Accrediting Commission of Career Schools and Colleges, The Higher Learning Commission (North Central Associations of Colleges) and the Accrediting Council for Independent Colleges and Schools, among others.

About our Students and Their Success

- Career college students account for about one-third of all the health and computer majors; two occupations projected to be among the fastest growing jobs in Ohio through 2016.
- Career college students represent about 40% of all graduates who successfully earn an associate’s degree, even though they constitute only 19% of all students enrolled.
- About one-third of students at career colleges and schools transferred from public colleges and universities, and primarily from community colleges.
- Approximately 75% of students work and go to school.
- Many students are the first generation in their families to attend college.
- Most graduates stay in Ohio to work.
- Approximately 74% of graduates find jobs in their field of study within 90 days of graduation.
- The graduation rate at Career Colleges and Schools is 47.3%, compared to 17% for Ohio’s community colleges.
